

G2G-200W

LED ShoeBox Light

G2G's unique LED technology provides significant advantages in illumination efficiency, while minimizing refraction and reflection inside the optical system. Our fixtures ensure a lower density of dirt and dust particles that may settle within the light over time, and has competitively high standards in maintaining luminaire reliability for years to come.

LED SHOEBOX LIGHT SPECIFICATIONS

Lifetime	62000 hours - L70, @25°C	Fixture Dimension	11.9*18.6*7.7 in
Power Factor (PF)	>0.95	Net Weight	8.6kg
Driver Efficiency	>93%	IP & IK Rating	IP65 (IP67 optional) & IK10
CRI	Ra>75	Warranty	8 Years
